

New Student Residence Application

Semester _____ Year _____

Two things are necessary for **new** students to initiate on-campus housing at Southeastern Bible College. The first is a \$100 tuition deposit which can be mailed in to the Admissions Office. The second is a completed New Student Residence Application. Once both of these items are received your housing placement will be made. SEBC has a limited number of rooms available for the school year. Therefore, preference will be given according to the date that both items are submitted to SEBC. You will be notified if you have been placed on a waiting list for the semester you are entering.
